

Thursday 5 November 2020 – Farewell dinner

His Excellency Ambassador Yoshiharu Kato, Ambassador of Japan

Excellencies and Distinguished Guests

We are here tonight to enjoy one last evening together with his Excellency Ambassador Kato, who I have had the privilege to meet from his very first days in Mauritius during a reception at the Chinese Embassy in 2017.

Ambassador, we all appreciated your friendship, values and sense of duty during your posting here.

To-night is a bittersweet evening. We are sad to see you leaving our midst but trust that you will keep fond memories of our numerous social meetings and happy moments as well as friends you have made during your stay in Mauritius.

We wish you good luck and all the best in your future endeavors.
