Distinguished Sponsors, Golfers and Guests

Good afternoon and a warm welcome to you all as we gather to raise
funds for the children of Anges du Soleil, giving us the opportunity to
make a difference in their lives. The objective of this NGO is to
intervene in disadvantaged cities in order to help families escape the
pattern of generational poverty, with an emphasis on education and
support for children and their families. Let us not forget that the child
of today will make the society of tomorrow.

I would like to express my deepest gratitude to all sponsors, and to
Anahita's dedicated team who have made this exciting event possible
and a success.

This morning game also demonstrates that although walking behind
a little white ball may be considered as an indication of stupidity on

the part of some, it can also contribute towards improving the quality of life of the underprivileged. Today, you are all part of this great endeavour, that will help families improve their lives.

My appreciation to each one of you for being on my charity golf train this year as I progress in my charity journey.

Before I end, congratulations to all golfers who took part in the tournament this year. To the winners, BRAVO for being simply the best amongst the best.

Bon Appetit to you all. Enjoy your lunch.

Lynda Kok Shun, OSK
